NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:—

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,
H. G. Ward.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in each certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

As the Duplicate Medal or Clasp will be issued on these Certificates only, great caution should be used in granting them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1850.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1856, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1850.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

Digitized by Google

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals	21	(But not to be more than three Admirals of the Fleet at one time)
Vice-Admirals	22	
Rear-Admirals	42	
	85	

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 18*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically in-

capable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

J. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service, on the Scale hereinafter mentioned.

V. Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents within a period of 15 years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea-Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the Rank and Title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each

succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG. 1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s.* 6*d.* per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 30TH JAN. 1816.

This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of 8*s.* 6*d.* a day, with the Rank of Commander. Their widows receive a pension of 60*l.* per annum.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDERS IN COUNCIL OF 1ST NOV. 1830, AND 9TH JULY, 1864.

By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7*s.* a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

By Order in Council of 9th July, 1864, it is provided that Lieutenants who are either now on the Reserved or Retired List, or who may be in future Retired under the provisions of the Order in Council of August 1, 1860, and Lieutenants of Greenwich Hospital, will be allowed to assume the rank of Retired Commander on attaining fifteen years' seniority, but without any increase of Half-pay or Widows' Pension beyond that authorised by the Orders in Council under which they were respectively retired.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through his Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at Windsor, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-*nine*, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, *as Officers* of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a con*siderable number* of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter *sixty-nine, it is* enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commis*sioned* Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and *conditions* as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called *the Admiralty*, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time *deem* expedient, under and subject to such rules, *orders, and regulations* as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers *of the Royal* Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Re*serve shall* be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or re*ceives any* hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

Qualification for a Lieutenant's Commission to be a qualification for a Sub-Lieutenant's

mission; and a qualification for an Engineer's Commission will be a qualification for an Assistant Engineer's Commission.

After the 1st January, 1865, no person will be eligible for a Commission as Lieutenant on the Active List in the Royal Naval Reserve until he has held a Commission as Sub-Lieutenant on the Active List of the Reserve for one year or upwards. And after the same date no person will be eligible for a Commission as Engineer in the Royal Naval Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commanders, Chief Engineers, Lieutenants, and Sub-Lieutenants.

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 80 in number, and of the ranks named below, viz.:—

(a.) Honorary Commanders of the Reserve not exceeding 30 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 5 years, and who are not less than 50 years of age. Honorary Commanders of the Reserve will rank with, but after, Staff Commanders of the Royal Navy.

(b.) Honorary Chief Engineers of the Reserve, not exceeding 30 in number, and consisting of Officers of the Reserve who have held Commissions as Engineers of the Reserve for not less than 10 years, and who are not less than 50 years of age, they will rank with, but after, Chief Engineers of the Royal Navy.

(c.) Honorary Lieutenants and Sub-Lieutenants of the Reserve, not exceeding 100 in number, and consisting of:—

(1.) For Honorary Lieutenants; Masters of Vessels actually afloat and in command, and possessing qualifications similar to the qualifications of the Lieutenants on the Active List, except that they must be above 45 years of age, and need not be in possession of Certificates of competency; and

(2.) For Honorary Lieutenants; Owners of seagoing pleasure yachts of 50 tons register or upwards, who command and act as Masters of their own yachts; and

(3.) For Honorary Lieutenants; Superintendents of Mercantile Marine Offices who have served as Masters in the Merchant Service; and

(4.) For Honorary Sub-Lieutenants; Deputy Superintendents of Mercantile Marine Offices who have served as Chief Mates, or who have attained a higher rank in the Merchant Service.

Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy; and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been at any time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

(1.) Without rank; or

(2.) On the Honorary List, with the rank they may hold at the time of their retirement; or

(3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10*s.* a-day.
Sub-Lieutenants . . . 7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds while on active service in the Royal Navy, or while undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done or any right, title, obligation, or liability already accrued thereunder.

The Superintendent to have authority to mulct any Pensioner or his Wife of such allowances, or any part of them, upon satisfactory proof of such Pensioner or his Wife having been guilty of misconduct.

3. In the case of a married Pensioner being compelled by illness to become an inmate of the Infirmary, the above allowances to be continued in full, subject as above to the authority of the Superintendent.

4. Upon the death of an In-Pensioner's Wife, the expense of the funeral to be defrayed by the Hospital in the same manner and under the same regulations as are now pursued with respect to a deceased In-Pensioner.

Admiralty, 17*th January*, 1866.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1*st Class.*—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2*nd Class.*—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3*rd Class.*—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4*th Class.*—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital, which, when properly filled up must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents: or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either they volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for the service, and of good character, they will be entered as boys on board Her Majesty's Ship 'Excellent,'—or unless they succeed by their talents, industry, and good conduct in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which boys are recommended by the Principal of the school for a further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above subjects, navigation, and nautical astronomy will be taught.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great guns and small arms exercise.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission by the father, if living; and if the father be dead at the time of the child's admission, then the marriage certificate or baptismal register of such child, according to the rites and usages of any of established religious communities, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no subsequent document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority, and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

EXTRACT FROM LATE CIRCULAR, No. 260.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts: in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Returns.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors where it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examinations for the rank of Lieutenant are to be conducted before three Captains or Commanders, or one of the Commander-in-Chief's or Senior Officer's Captains present together; but a Midshipman having served his term of service, and being 19 years of age, who serves in a ship or vessel so far separated from other ships as the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other commissioned Lieutenants, Masters, or Second Masters, and if he is found to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and he may forthwith give him an acting order as Lieutenant; but must be re-examined on the first opportunity that afterwards offer by three Captains or Commanders, as above required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their enquiries of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidates, and that he produces sufficient good conduct from Captains he has served under for two years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations:—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed about to present themselves for Examination as Mates in the Excellent on the first* Examination Day after their return in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 2nd, 3rd or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at College will incur the forfeiture of three months' seniority of his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur a forfeiture of three months more seniority; he may appear upon the list on the next Examination Day, but a third rejection will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed the necessary examination at the Royal Naval College, as pointed to in the Regulations, will be confirmed from that date of their Certificates.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified illness to be duly reported at the time.

XIX. Naval Instructors are to keep a School Master's Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, as the Captain is to allow them reasonable access to the chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the College after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, shall commence in August, 1863; but any Midshipman, previous to that time, when he may have completed five years service, as above, shall have attained the full age of 19 years, he may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 38, of the 7th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations as to the rejection of Candidates, shall equally apply to Officers passing for the rank of Master, will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that

* By an Order dated 6th June, 1863, Officers are allowed to present themselves to pass in Gunnery on the day instead of on the *first* examination-day, it being understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

Officers not passing at the Trinity House within two months after passing at the Royal Naval College, to be discharged to the shore, and deprived of three months' seniority; and those not passing within three months to be dealt with as their Lordships may think fit, either as to further deprivation of time or removal from the Service, as the circumstances in each case may deserve.

4. Navigating Lieutenants, instead of passing for Line-of-battle Ships after three years' service in that rank, to be required to pass at the Trinity House for Ships of the 1st Class, drawing 26 feet of water and upwards.

10. The rank of Staff Captain to be confined to Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters, and to Masters of the Fleet when so employed.

11. The Pay of the Navigating Cadets and Navigating Midshipmen to be the same as at present.

21. Time served as Master Attendant, Assistant Master Attendant, and Queen's Harbour Master, to reckon as service towards increase of Full and Half Pay, and Reserved Half Pay. On retirement from these positions, Officers will be granted the Rank of Retired Captain, and will be allowed six-pence-a-day for every complete year's service in such capacity, in addition to their Half Pay or Reserved Half Pay.

22. Navigating Lieutenants who may hereafter be placed on the Reserved List, may, at the direction of their Lordships, be promoted to the rank of Staff Commander on attaining 15 years' seniority, if of good character and qualifications.

These Regulations only to apply to Increase of Full and Half Pay and Reserved Half Pay.

24. Navigating Officers, whatever their rank and seniority may be, are in all matters of Command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

25. Navigating Officers in command of Her Majesty's Yachts and Store Ships are not to be interfered with by Officers commanding any of Her Majesty's Ships or Vessels of War, except under special or exceptional circumstances; nor are they, when on the Home Station, to be required to wait on any Officer in command of one of Her Majesty's Ships or Vessels of Warin her the rank of Commander; but on Foreign Stations they are to report themselves to the Senior Officer present, whatever his rank or seniority may be.

Engineer Students must gain 1150 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 2000 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

8. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

9. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

10. The most intelligent of the Students will be eligible for a more advanced education at the School of Naval Architecture, in accordance with the Regulations contained in the Admiralty Circular of 17th June, 1864.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered: they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also have all opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Naval Officers, whether brought up in the Dockyard Service or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, they will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. The Chief Engineer's qualification for a First or Second Class certificate, and his eligibility for filling superior situations, will be in the measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers in the Royal Navy, and to those who may become Engineers after having been brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools and the Chief Engineers and Inspectors of Machinery, will make in their Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the schools.

These examinations will take place at Somerset House on the first Tuesday in alternate months, commencing with Tuesday, the 5th March, 1867.

Admiralty, 7th May, 1867.

REGULATIONS RELATIVE TO THE EXAMINATION OF CANDIDATES FOR THE APPOINTMENT OF ASSISTANT-SURGEON IN THE ROYAL NAVY.

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct, that the following Regulations, relative to the Examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

1. That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with the Regulations, and a printed Form, to be filled up by him, to show if he possesses the required qualifications.

2. As vacancies occur, the number of Candidates required will be ordered to attend at the Admiralty Office on the first Tuesday in alternate months, commencing with Tuesday, the 2nd July, 1867; but it is to be observed, that no person can be admitted as an Assistant-Surgeon in the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. And further, he will be required to make a declaration that he is free from any mental or bodily disease, defect, or infirmity which could interfere with the efficient discharge of his duties as a Medical Officer in the Navy.*

3. Each Candidate will be required to produce a Certificate of good moral character, signed by the clergyman of the parish or by the magistrate of the district.

4. A Certificate that he is not less than twenty, nor more than twenty-eight, years of age.

5. That he has received a preliminary Classical Education.

6. That subsequently to the age of eighteen he has actually attended a recognised Hospital for eighteen months, in which the average number of patients is not less than one hundred.

8. On producing the above Certificates he will be examined before a Board of Naval Medical Officers, specially summoned by their Lordships, on the following subjects, viz.:—

Anatomy.	Chemistry.
Surgery.	Materia Medica.
Physiology, or Institutes of Medicine.	Midwifery.
Practice of Medicine.	Botany.

9. Although the above are the only qualifications which are absolutely required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who have obtained the degree of M.D. from any University in the United Kingdom, or who, by possessing a knowledge of the Diseases of the Eye, or of any branch of science connected with the Profession, such as Medical Jurisprudence, Natural History, and Natural Philosophy, appear to be more peculiarly eligible for admission into the Service, observing, however, that lectures on those or any other subjects cannot be admitted as compensating for any deficiency in those required by the Regulations.

10. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon, will be forthwith nominated to one of Her Majesty's Ships, or to a Naval Hospital at home; or, should their services not be immediately required, their name will be registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates entering into the Naval Medical Service must serve in whatever they may be appointed to; and that in the event of being unable to do so from sea-sickness, their name will be continued on the Naval Medical List, but not, of course, be allowed Half Pay.

11. By the rules of the Service no Assistant-Surgeon can be promoted to the rank of Surgeon until he has served five years, two of which must have been passed actually employed at Sea, after which he will be required to pass an examination before a Board of Naval Medical Officers, assembled at the Department of the Naval Director-General of the Navy.

12. Assistant-Surgeons at home, after completing the stipulated five years' service, may, if the public service will admit, be granted two months' leave of absence with full pay, on condition of their resuming their studies at a Naval School or Hospital.

13. Their Lordships have been pleased further to direct that a limited number of those Candidates who pass the best examination on entering the Service shall be promoted annually to the rank of Surgeon at an earlier period than would occur under ordinary circumstances, and that the promotions shall be awarded as follows:—

The Candidate who passes the best examination of the year—after five years' service.

The Candidate who passes the third examination of the year—after seven years' service.

Provided, however, that their second examinations are passed in an equally creditable manner, and that their conduct during the whole time they have been in the Service has in all respects been satisfactory.

NAVAL RETIREMENT.

At the Court of Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz.:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

At the Court at Windsor,

the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"*First, as relates to Captains.*

"1. That the Active List of Captains shall be reduced from 450 to 300.

"2. That the existing system of placing on a Retired List Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers.

"3. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired	18s. per diem.
If on the 12s. 6d. " " "	20s. "
If on the 14s. 6d. " " "	"

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

"4. That the above system of retirement shall be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25s. per diem Half-pay shall be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of retired pay or emolument.

"8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

"*Second, as relates to Commanders.*

"9. That the Active List of Commanders be reduced from 450 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in Command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, with its corresponding to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

"12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

"13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council

"*Third, as relates to Lieutenants.*

"14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

"15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

"16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorised by the Orders in Council under which they were respectively retired.

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

Admiralty, 2nd April, 1866.

Her Majesty, by Her Order in Council of the 24th March, 1866, having been graciously pleased to sanction the following alterations and amendments in the present system of promotion and retirement in the Royal Navy, as provided by Her Majesty's Orders in Council of 1st August, 1860, and 9th July, 1864, the Lords Commissioners of the Admiralty hereby give notice of the mode in which such arrangements will be carried into effect:

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . .	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay, on that of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers, at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List if they should prefer it, or they may be placed on the Retired List at their own request with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the ages specified above, whether they have served or not.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service, on the terms of the Order in Council of the 9th of July, 1864. Those Captains on the Active List who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if physically unfit for service.

9. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council to be subject to compulsory retirement on attaining the age of 60, whether they have served or not.

10. Captains of sixty years of age, who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, to be promoted to Rear-Admiral, to be placed on the Retired List, and will be allowed to rise by seniority to the rank of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before they reach the top of the List, will not be entitled to rise to the rank of Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

11. Captains who have not served their time for promotion to Flag Rank, and who have been unemployed for two years, may be retired on the terms of the Order in Council of 9th July, 1864.

12. Captains to be allowed to retire on attaining the age of 55, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

13. The Captains' List to be reduced gradually, by only filling up only two out of every three vacancies caused by age-retirements from that list, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

14. Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

15. Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

16. Time served by Naval officers in future in certain Civil employments connected with the Navy shall not entitle them to Civil superannuation, to be added to their pay towards increase of half or retired pay, in the proportion of one year for every two served in that capacity; but of Captains, twelve years served in such Civil employments shall entitle an officer to rise to the higher rates of pay of Rear-Admiral and Vice-Admiral and Admiral respectively.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commissioned and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; the Admiralty may grant the Pension in cases of Officers before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except those who shall have married after the 31st of December, 1830) are only entitled to the Pensions of their respective ranks in the event of their Husbands having been on the list of Commission Officers, or on the List of Naval Instructors, for complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, when provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by such circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been on Full Pay Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during or prior to, her Husband's Service in the Navy, and unless the Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the least of time to entitle him to Half-Pay,* here by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to them

selves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander, chief engineer, master commanding, or any other officer duly entitled to any ship, sloop, or vessel of war, solely taking charge or seizure, or otherwise entitled to the distributive shares arising from any proceeds award, exchequer bonds, bills or other award as aforesaid, that is to say, to the officer actually in command at the time, shall have one-eighth part; the remainder, or, if there is no such officer, the whole entire net proceeds, except that if the ship so captured shall be a rated ship having a commander under the rank of captain, the commander shall take a portion of the one-eighth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of commander shall be entitled to share as joint captors, &c., the one-eighth shall be equally divided between them; but when more than two commanders, lieutenants commanding, and masters commanding, and vessels of war, and commanders under different rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided as to provide for a graduated apportionment as to prize money, that captain receiving six parts, each commander of a sloop or commander under the captain in a rated ship one part, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer duly commanding, a small vessel of war, two parts, which we hereby direct shall be the proportion in which officers respectively share; commanders of the second class as field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or land forces serving as marines, and doing duty as field officers of major, to share as commanders of sloops.

And We further direct, that after provision shall have been made for the flag share (if any) and the portion of the commanding officer or officers as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer and boy composing the rest of the complement of the sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid, or any person present and assisting shall receive shares of prize according to his class, as set forth in the following manner:—

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. ROMAINE.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above the head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs of feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

18. Where it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service, observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in every respect, and under all the vicissitudes of the Service for a period not less than ten years.

19. All persons examined for entry into the Naval Service or Royal Marines, by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns of Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army: and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the gift of such Decoration has been performed, under the following circumstances:—

Where the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, to which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer command-

ing, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both as to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

FORMS OF WILLS FOR PETTY OFFICERS, SEAMEN, AND MARINES.

Admiralty, 7th April, 1866.

Numerous instances having occurred in which Wills, executed by Petty Officers, Seamen, and Marines on board Her Majesty's Ships have been invalid for want of attention to the points required by Act of Parliament to be observed in their execution, the Lords Commissioners of the Admiralty, with a view to obviate this inconvenience, have caused printed Forms of Wills to be prepared for the use of Men serving in Her Majesty's Navy, with particular instructions thereon for completing them according to law; and I am commanded by their Lordships to signify their directions that the instructions on these Will Forms be strictly attended to, and that every Will, as soon as practicable after execution, be sent to the Secretary of the Admiralty to be examined by the Inspector of Seamen's Wills, who will advise the Testator of the receipt of the same and of any irregularity therein, and also, if the Will is valid, issue instructions to the Executor how to proceed on the Testator's death.

By Command of their Lordships,

C. PAGET.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment; make the arrears, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person to be recommended for the purpose; that such person may apply for the benefit of the Wife and the Children of the Seaman or Marine allotting, the money allotted.

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, Instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, "to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Digitized by Google

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with four longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended: and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the same contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. E. WALPOLE.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.

The Notice published in the Gazette of 1st June, 1847, is hereunto appended.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy: Admiralty, Somerset-House, March 1st, 1850.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1850.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 184[illegible] and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 30 years' D. standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active B. List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers A. as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

Digitized by Google

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time)	21	
Vice-Admirals	22	
Rear-Admirals	42	
	85	

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50

F. Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.

If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 15*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically in-

capable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

U. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service, on the Scale hereinafter mentioned.

V. Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents, within a period of 15 years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea-Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the Rank and Title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

Scale of Retired Pay.

Total Sea-Service in the Rank of—

Commander and Lieutenant.	Pay per Diem. Half-pay they may be receiving at the time when retired.
Under 9 years	
Above 9 years and less than 12 years' service	10s. 6d.
Above 12 years and less than 15 years' service	12s. 6d.
Above 15 years, and less than 20 years' service	14s. 6d.
Above 20 years' service	16s. 6d.

Officers, after 20 years' service in these Ranks, or who are physically incapable of Service, to be eligible for this Retirement, with the Rank and Title of Retired Captain, irrespective of age, at the discretion of the Board of Admiralty.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

1. The Active List of Commanders to be reduced from 450 to 400.

V. 2. The existing system of placing on the Retired List, under the conditions specified in the Order in Council of August, 1860, all Commanders who have not served within a period of fifteen years, either afloat or in command of Revenue Vessels, or in the Coast-Guard, or as Mail Agent, or Transport Officer, to be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, or on attaining fifteen years seniority on the List of Commanders, and to receive, on their retirement, pay on the scale provided for in the said Order in Council, with the difference only, that Officers who shall in future retire will be allowed to reckon their

service in the Coast-Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of fifty-five, provided they be willing and desirous to accept the same.

4. A limited number of Commanders who may have attained the age of forty-five, and who are not desirous of further employment, may be retired on the foregoing condition, at the discretion of the Board of Admiralty. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers to take place under this clause.

5.
